## **26th INTERNATIONAL SERVICE-LEARNING CONFERENCE**

Pontificia Universidad Católica Argentina (UCA)  
Av. Alicia Moreau de Justo 1680, Buenos Aires, Argentina  
**24th and 25th August 2023**

El 26th Conference is hosted by CLAYSS, the Latin American Center for Service-Learning, and the Vice-Rectorate for Integration of UCA (the Pontifical Catholic University of Argentina), with the support of the Ministry of Education of Argentina and the OEI-Organisation of Ibero-American States. We thank the collaboration of our partners from the Ibero-American Service-Learning Network and *Uniservitate*.

Declaration of educational interest by the National Ministry of Education and local authorities, in process.

Interpretation into Spanish and English will be available.

### *Objectives:*

- To offer a space for training and updating on "the Service-Learning (SL)" pedagogy for educators, authorities and students of all levels, as well as members and leaders of community-based and civil society organizations.
- To promote the international exchange of ideas and experiences between schools, higher education institutions, universities and social organizations which develop community-based educational projects.
- To foster opportunities for a closer connection between civil society organizations and the formal educational system, benefiting both educational equity and quality.
- To celebrate the continuity of the Conference as an expression of an innovative pedagogical movement that continues to grow based on the creativity of educators and students.
