“YOUTH KNOWLEDGE ABOUT THE
CITY OF VUSHTRRIA”

Helpful Teens

- Since 2019
- 16 members
- 3 projects

First Project

- Brochure about the city of Vushtrria
- Published in 7th August
- Was an online project
- Volunteers collected information by researching through the internet

The other two projects

- In the second project, volunteers donated and prepared cards and gifts for the people with disabilities at “HandiKos”.
- The final project, we prepared a video about mental health awareness and its stigma with title “Kupto, Mos Gjyko” (eng. Understand, Do Not Judge).

The “Youth Knowledge About The City Of Vushtrria” project

- This brochure is created with the aim to help people that are not Vushtrria’s residents know more of antique monuments and influencing people that this city has.

Cont.

- Was originally planned to be published in June and to be a physical copy.
- We divided the responsibilities per each volunteers to help finalise this brochure.

Cont.

- We collected information by doing online research.
- In addition to online research, supervolunteers visited these cultural sites by obtaining information directly from the people in charge of these facilities.

Cont.

- This project's length was 30 hours volunteering
- Including online meetings, online and field research, and finally brochure preparation.
- There is the link for the brochure:
